

MAPS

The Division of Oil, Gas, and Geothermal Resources prepares and publishes oil, gas, and geothermal maps for the State of California. These comprehensive maps are updated weekly with the most current well data. There are more than 200 maps in the collection, covering the state's oil, gas, and geothermal fields.

ONSHORE OIL & GAS MAPS

The maps are \$5.00 each. You may purchase them from a district office, or by mail from the Headquarters office in Sacramento. (See order form on page 23.) Orders under \$25.00 can be paid by cash, check, VISA, MasterCard or American Express. Orders over \$25.00 may be invoiced. Allow two weeks for delivery.
