Delta Primary Zone
Publicly Managed and Nonprofit Lands

Map showing the Delta Primary Zone with publicly managed and nonprofit lands highlighted. The map includes various symbols and colors indicating different features such as pumps, water supply, Delta towns, and state highways. The operator legend includes the California Department of Water Resources, Contra Costa Water District, East Bay Municipal Utility District, US Bureau of Reclamation, Alternative Conveyance - Alignments, Levees - Delta Island groups, Forebay - Alternative Conveyance, and Delta Waterways. The status of public and nonprofit lands is also indicated with different colors representing city/local government, conservancy/nonprofit, federal, and state.
